Dear Mr. Gramlich:

Re: Sureshot #1, DOE/019/033, Grand County, Utah

A recent Division inspection revealed that the Sureshot #1 Mine has exceeded the two-acre exemption category, but that site disturbance remained less than five acres. As a consequence, it will be necessary for you to fill out the Small Mine Notice of Intent (enclosed). This is a draft form that we are using on an interim basis until the new regulations are implemented.

The Division will not require a detailed Mining and Reclamation Plan or a reclamation bond as long as you reclaim as you mine and stay under five acres of unreclaimed land at all times. Please contact me or Frank Filas of my staff if you should have any questions.

Sincerely,
